3. Each panel of judges shall be the final authority for each class in which it judges.
4. The Classification Chairman has the right to disqualify any entry which is damaged or does not conform to the schedule.
5. The Appropriate AHS Scale of Points will be used for (1) Registered cultivars on scape (2) Seedlings on scape (3) Individual flowers of registered cultivars off-scape.
6. The AHS Standard System of Awards will be used.
7. All scapes receiving the AHS Rosettes or purple ribbons must score 95 or above by the AHS Scale of Points.
8. Registered cultivars will be classified alphabetically within each section. No distinction is to be made between diploids and tetraploids.
9. Each registered cultivar shall constitute a name class. A single entry may be given an award if the judges consider it a superior exhibit. An exhibitor may have only one entry per class name.
10. Each seedling or pre-registered cultivar (a pre-registered cultivar is considered a seedling) shall constitute a class to be judged on individual merit. Each entry may be given an award if the judges consider it a superior exhibit.
11. Division 1, Section 5: if purple ribbons are awarded in Class A and Class B, they must be point scored to determine a single winner, since there is only one AHS Rosette for this section.

AHS STANDARD SYSTEM OF AWARDS

The judging of each cultivar in each class shall be done by the American Hemerocallis Society's Standard System of Awards. For registered cultivars, only one blue, red, and yellow ribbon may be awarded in a given name class. For seedlings, each exhibit in the section is judged on its own merit and thus an award-eligible class.
